Stop E1	Arrives	Portland - estimate					4:15

The turnaround location is the Crown Point Historical Museum that is still under construction. As an alternative we suggest you get off at Crown Point for 38 or 53 minutes (departures M2 and M3) while the trolley goes through to Corbett and returns, or you can spend 26 or 41 minutes in Corbett and visit the Corbett Country Market for ice cream. The Market is within walking distance of the Museum.
