

## Waterfall Trolley Suggested Guest Itineraries

The itineraries listed below are suggestions only. They are not the full range of possibilities. They are provided for your convenience to assist in you planning your visit. The itineraries range from staying on the trolley to all day hiking adventures. Option A itineraries might be considered a stroll where as Option B itineraries might be considered a hike. The itineraries are shown by the number of hours you have to spend with us. We have had guests take as many as seven strolls/hikes in a day or none at all. The choice is yours.
